## OUR MENU

We do our best to source our ingredients locally. Our fresh ingredients come from Tenterden suppliers Huntley's Butcher's; SJ Fruits; and P&G Seafood. Sausages are naturally from Korkers – Rolvenden. Our other suppliers are Kent based, and we use British produce as much as we can.

*We cook these ingredients with our heart,  
from scratch. Enjoy.....*

We do not apply a Service Charge, Tip or Gratuity to your bill, if you choose to leave one this will be fairly distributed among the team who prepared and served your food today.  
*Thank You.*
